**The Neuroscience Program
at Florida State University is
excited to announce the seventh
Annual Brain Fair! Come discover
the hidden secrets of your brain with a
trip around our Brainbow Road course.
The Brainbow Road track offers
something remarkable for all ages.**

**Hit checkpoints along the
way to build your own
neuron, listen to your
neurons fire, witness
your senses in action,
observe real brains, and
discover many more
phenomenon you didn't
even know existed!**

**Join the race to the finish line to
unearth the scientist inside of you!**
